

Session Notes

Scribe's Name: LYNN IMERGOOT

Scribe's Institution: WASHINGTON UNIVERSITY IN ST. LOUIS

Be detailed in your notes for your session. Remember to include relevant information on the other sheets (products and other resources mentioned in your conversation and topics for future presentations).

most mgt

looking for league mgt on line registration

paper registration - Miami U - computer "Class" web based

some send basic information out - got rid of solutions

① EZ Leagues - good tech support - also EZ FACILITY

② IM Tracks - sometimes doesn't work  
problem → assigns teams to wrong location  
how to deal w/ forfeits

⊕ email function  
web integrated  
sorts gender, yr. in school  
know if someone plays on 2 teams

③ Rec Solutions - #1 is so much better

④ TOURNAMENT PRO LEAGUE = easy scheduling  
\$175 - not  
doesn't provide stats re: participants  
"point + click" can do stats  
put on web site

www.tournamentpro.com

online + CD

kept on their website - can also be printed out

Q: registrations sent to spam?

Topic: Intramurals

### Session Notes

Scribe's Institution: Washington University in St. Louis

Be detailed in your notes for your session. Remember to include relevant information on the other sheets (products and other resources mentioned in your conversation and topics for future presentations).

free agent reg <sup>web</sup> on ~~net~~ - Michigan → secret code (5 letters)

→ on line registration:

end of year statistics → print out for annual reports

lose relationship - ok Miami - university students are going high tech - makes it easy for them

instant scheduling

student affairs like statistics

# Intramurals Session Notes

Topic: Online Reg.Scribe's Name: Danew MooreScribe's Institution: San Jose State Univ.

Be detailed in your notes for your session. Remember to include relevant information on the other sheets (products and other resources mentioned in your conversation and topics for future presentations).

What are you looking for?

- online registration → internet web-based

Rec Solutions - incompatibility

Jevin - <sup>cons</sup> slow

Paper reg. into Class (Miami U.)

EZ Facility - hardcopy sent to participants

"new system"

tech ~~support~~ support really responsive

online payment

easy to work with

IM Track - cons: math and games do not setup

dbl elim. playoffs doesn't work

tech support not great

pros: tracks participation

email function

you can import data

let you know conflicts of someone playing on two teams, playing same time

~~Want~~ want to enter on-line rosters + teams can manage rosters

#175 Tournament Pro. com → just schedules, no participation results

• ~~online~~ ~~waiters~~ ~~anybody~~ anybody with SPAM mail signing up on online? (add the wordcode at reg. process) reg.?

Benefits for a smaller school to justify <sup>the \$ to spend</sup> online reg vs. paper?

→ Tracks participation (what yr in school, etc)

"IF They can order Pizza online, why can't they manage their teams online & sign up for leagues"
